DEUTSCHE STEINZEUG AMERICA (DSA) DONATES TO TILE PARTNERS FOR HUMANITY  
*DSA donations directed to Pickens County Habitat*

**Atlanta**, December 2, 2009. Tile Partners for Humanity, Inc. (TPFH), an outreach organization for the tile industry and partner with Habitat for Humanity, announced that Deutsche Steinzeug America (DSA), a long time supporter of Tile Partners for Humanity, Inc., has generously donated tile to TPFH. This donation was directed to the Pickens County, GA Habitat for Humanity for use in their current home build. Habitat for Humanity International is a nonprofit, ecumenical Christian organization dedicated to eliminating substandard housing and homelessness worldwide and to making adequate, affordable shelter a matter of conscience and action.

“TPFH is so grateful for industry partners like DSA who continue to make generous donations during these difficult economic times.” says Lynn Labuda, executive director of TPFH.

**About Deutsche Steinzeug America (DSA)**

DSA is a leader in Ceramic and porcelain tile manufacturing. Since 1979, DSA has brought the Jasba, Buchtal and Keope products to the US. DSA is the only manufacturer in the world with Hydrotect, the self cleaning, anti-microbial, and odor reducing surface coating. Our aim is to bring creativity and competence in an attractive package to all facets of ceramic tile application.

**About Tile Partners for Humanity**

Formed in 2002, TPFH is a partnership between the tile industry and Habitat for Humanity International, a nonprofit organization working to eliminate substandard housing around the world. Industry partners provide tile, setting materials, tools, floor preparation materials, cleaners and sealers, labor and installation training to Habitat affiliates interested in building with tile. TPFH is a 5013c organization that grants tax relief for donations of materials or other support for our partnership.
